

10 Threads to Level Up from ChatGPT Beginner to Expert

<https://twitter.com/moritzkremb/status/1665343897957203968>

✂️ Smart summary:

ChatGPT is a popular language model that is receiving 65 million visits per day. This thread provides 10 threads to help users level up from beginner to expert, including learning the basics, brainstorming, teaching ChatGPT to write like you, speeding up content creation, text formatting, using ChatGPT as a coach, and powerful marketing and sales prompts. Additionally, the author invites readers to join their weekly newsletter to learn valuable tips, powerful secrets, and unconventional hacks.

ChatGPT is getting 65 million visits per day.

But almost everyone's STUCK in beginner mode.

Here are 10 threads to level up from ChatGPT beginner to expert:

1/ Learn the basics: This will help you understand the different types of prompts.

<https://t.co/fzbWBnjfKr>

2/ Brainstorming is ChatGPT's strongest capability. Master it. <https://t.co/FCIEwSA1YY>

3/ ChatGPT is a language model. It excels at helping you write better.

<https://t.co/YimcL4Vg4j>

4/ Teach ChatGPT to write like you and take your content creation to the next level.

<https://t.co/zK2nI931I>

5/ Speed up your content creation with these techniques. <https://t.co/871uGIRFxm>

6/ A heavily underestimated skill of ChatGPT: Text formatting. <https://t.co/AHbjFutdlg>
